

Assistant Director for Operations
Acting Chief, FBIB
Soviet Food Stockpiling

1 August 1947

With reference to your memorandum to Chief, FBIB, dated 30 April 1947, relative to the possibility of Soviet hoarding of bread grain, the following monitored broadcast item is the most pertinent that has yet been received.

(Trans) "Today's editorial in PRAVDA is devoted to a most important economic-political question, the harvesting of the crop and delivery of wheat. A successful solution of this task will determine the volume of supplies of foodstuffs for the population, and raw materials for industry, and the paper points out [REDACTED] FAR EAST, 30 July 1947, 4:30 a.m. EST)
